

## **VOTER GUIDE**

### **June 5 Primary**

The 2018 elections will determine whether we continue to #MakeAmericaGreatAgain by supporting our military, cutting taxes and creating jobs, building the wall, securing our border and ending sanctuary cities and states.

The “Nancy Pelosi” Dems and their leftist allies are stoked with white hot hatred for Donald Trump and his “deplorable” supporters. They are redoubling what they did in 2016.

All Patriots need to vote and do everything we can to support #MAGA candidates. If we merely do what we did in 2016, America and the MAGA cause will lose.

**CAUTION.** Do not use a mail-in ballot. To make sure your vote is counted, take your mail in ballot to your precinct, surrender it, and then vote in person.

**RTPP VOTER GUIDE**  
**For the June 5, 2018 Primary Election**

The core values of the Redlands Tea Party Patriots are to **Make America Great Again** through:

- **Personal Freedom** with Constitutionally Limited Government.
- **Economic Freedom** with Opportunity for All and Favoritism for None.
- **A Debt Free Future** through Fiscal Responsibility Today.

With these values in mind we recommend the following:

**United States Congress**

US House, District 8:  **Tim Donnelly\*\*\***  
[To “repeal and replace” RINO Paul Cook who voted for the \$1.3 Trillion Omnibus that fully funds Planned Parenthood but not securing the border]

US House, District 31:  **Sean Flynn**  
US House, District 36:  **Kimberlin Brown Pelzer**

US House, District 39:  **Shawn Nelson**  
US House, District 41:  **Aja Smith**  
US Senate:  **Tom Palzer**

**State of California**

Governor:  **Travis Allen\*\*\***  
[We need to get Travis to the 2nd round b/c he’s the best candidate to defeat Gavin Newsom, and to increase Rep turnout that will help all other races]

Secretary of State:  **Mark Meuser**  
Attorney General:  **Steven Bailey**  
Insurance Commissioner:  **Steve Poizner**  
Board of Equalization, District 1:  **Ted Gaines**  
Board of Equalization, District 4:  **Joel Anderson**  
Controller:  **Konstantinos Reditis**  
Treasurer:  **Jack Guerrero**

\*\*\*Are The Most Important Races for the June Election.

**California Senate and Assembly**

Senate District 20:  **Matthew Munson**  
Assembly District 33:  **Jay Olberholte**  
Assembly District 42:  **Andrew Kotyuk\*\*\***  
[To “repeal and replace” Cap and Traitor Chad Mayes, who supported the Dems’ massive (\$.73+/-gallon) Cap and Trade tax.]  
Assembly District 52:  **Toni Holle**  
Assembly District 60:  **Billy Essayli**

**San Bernardino County Offices**

District Attorney:  **Jason Anderson**  
Supervisor, District 4:  **Curt Hagman**  
Assessor/Recorder:  **Bob Dutton**  
Treasurer/Controller:  **Ensen Mason**  
Superior Court Judge, Office 2:  **Arthur Harrison**

**California Ballot Propositions**

Proposition 68:  **No**  
Since 2000, CA voters approved > \$32 Billion in water bonds. Where’s the water? Prop 68 is more debt for no more water.

Proposition 69: **No recommendation**  
Dem fig leaf for their gas tax increase. Will have little or no effect.

Proposition 70: **No recommendation**  
Part of Cap and Traitor Chad Mayes’ “30 pieces of silver” for supporting the Dems’ Cap and Trade tax. Will have little or no effect.

Proposition 71:  **Yes**  
Requires winning propositions to go in effect after certification instead of on election night.

Proposition 72:  **No**  
Tax break for rain-water capture systems. Another special interest tax break for “green” crony capitalists.
